TO WHOM IT MAY CONCERN

I am writing this letter to provide my highest recommendation for **Biniyam Kassa Negashe**, a recent graduate with a BSc degree in Computer Science from Jinka University in July 2024. I have had the privilege of teaching he/she in advanced courses including Artificial Intelligence, Computer Vision, and Image Processing. Additionally, I have served as advisor/examiners for his/her final year project.

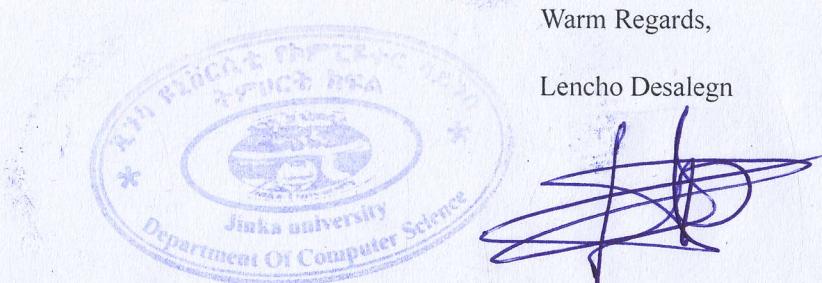

Throughout their academic career, **Biniyam Kassa Negashe** has consistently demonstrated exceptional academic performance and a profound understanding of computer science principles, and shown remarkable analytical and problem-solving skills. He/she have a natural ability to tackle challenging problems with creativity and precision. In my experience, he/she is a diligent and motivated student who is always eager to expand his/her knowledge and apply it practically. In addition to his/her technical prowess, he/she is an excellent team player with strong communication skills. He/she has effectively collaborated with peers on various group projects, displaying both leadership and a cooperative spirit.

Based on my interaction and observation, I have no doubt that **Biniyam Kassa Negashe** has the potential to excel in his/her future academic and professional pursuits. His/her research project is a testament to his intellect, creativity, and diligence. I am confident that his/her passion for innovation, combined with his/her technical skills and collaborative nature, will make him/hers a valuable asset to any academic or professional environment. I wholeheartedly recommend **Biniyam Kassa Negashe** for any endeavor he/she chooses to pursue, whether it be further academic studies, research collaborations, or professional opportunities. If you require additional information or have any questions, please do not hesitate to contact me at lencho3d@gmail.com.

Thank you for your time and consideration.

Warm Regards,

Lencho Desalegn

To whom it may concern

I am writing this recommendation letter after a request by student Mr.Binyam Kassa Negash, who is applying for your grant to do a course with you in Jinka University, Department of Computer Science.

I have known Mr. Binyam Kassa Negash for the past four years as he has taken the following courses which I teach: *1. Introduction to Artificial Intelligence, 2. Operating System, 3. Introduction to Distributed System*. As his Instructor, I have had an opportunity to observe the student's participation and interaction in class and to evaluate the student's knowledge of the subject matter. I would rate the student's overall performance in these subjects as superior. This is evidenced by his tends to get the highest possible grades and his academic performance is excellent grades.

Furthermore, Mr. Binyam Kassa Negash has great skills for cooperative work and gets on very well with all his classmates. He knows how to assume a given role within a group, organize the group's work and presents the results of each project without any problem/error, caring about all the details. Also, he is very good when it comes to using learning and communication technologies, and his social abilities are far from being little.

To put it in a nutshell, Mr. Binyam Kassa Negash is a very conscientious and able student, one of the best in his class, and I strongly recommend him for the grant on offer. I am persuaded that he will do his best and make the biggest profit of it.

If you would like to discuss this further, please feel free to contact me.

Yours sincerely,
